## Transportation

For transportation, remember the following guidelines:

### IN

Use **IN** for **private transportation**.

- *in a car, in a truck, in a taxi, in an Uber, or in a small boat, canoe, or kayak*

### ON

For **public transportation**, use **ON**.

- *on the bus, on a plane, on a ship or cruise, on a train, on the subway, on the trolley*

Use **ON** for things that one person can sit or stand on to ride.

- *on a bicycle, on a motorcycle, on a horse, on a surfboard, skateboard, or segway!*

### AT

Use **AT** for places where you wait for transport.

- *at the bus stop, at the taxi stand, at the airport, at the train station*

## Locations

### IN

Think of **IN** for enclosed spaces and places with borders, like rooms, towns, cities, counties, states, countries, and continents.

- *in the kitchen, in San Diego, in California, in the U.S., in North America, in Europe*

Use **IN** for geographical locations and bodies of water, if you're swimming!

- *in the mountains, in the forest, in the desert, in the water, in the lake, in the ocean*

### ON

Use **ON** for street names, borders, and floors of buildings.

- *on Broadway, on the Mexican border, on the first floor, on 10th Ave.*

Use **ON** for surfaces.

- *on the ground, on the floor, on the wall, on the beach (if you're tanning!)*

### AT

Use **AT** for specific locations, places of business, and stores.

- *at the supermarket, at the beach, at the library*
- *at the zoo, at the restaurant, at the mall, at McDonalds, at the hospital*
